

Can energy efficient-lighting make you

# Look Good?

## **master bathroom**

- Vertical recessed fluorescent lighting alongside vanity mirrors eliminates shadows

## **fixtures**

- Recessed 28 watt T5 fluorescent fixture by **Dreamscape**, with Dimmable Electronic Ballast

## **vanity**

- Recessed halogen downlight complements the fluorescent spectrum and enhances skin tones
- Ability to dim both light sources gives owner flexibility over light levels for different times of day or night, while extending life of bulbs and conserving energy

## **fixtures**

- Recessed light above vanity provided by **Lightolier**
- Decorative compact fluorescent sconce above whirlpool provided by **Westinghouse**
