

BEING A PARTNER

Partners are leading public and private organizations who share a common vision and work collaboratively with the LRC. The investments from Partners maintain the LRC expertise and facilities that advance the effective use of light.

PARTNER BENEFITS INCLUDE:

- Director's Council Board Member
- Access to world's experts
- *Lighting Liaison* to work with your key people as a top priority
- Annual visit to your facility
- Confidential product testing at cost
- Contract research projects at 20% discount
- Alliance membership at 50% discount
- Favorable IP terms by Rensselaer
- Logo placement on LRC website (175,000 average monthly pageviews)
- Five free seats at the LRC Annual Research Summit
- One free seat at all Lighting Institutes
- Network with LRC graduate students
- Quarterly updates from the LRC

Each Partner relationship is a tailored collaboration, and therefore each Partner uses LRC's expertise in different ways, such as helping to meet customers, creating demonstrations, or graduate student recruitment. Partnership is an annual fee of \$60,000.
